#### AUTHORIZATION AND RELEASE

I authorize the **Brookwood Dental/dentist** to release any information including the diagnosis and the records of any treatment or examination rendered to me or my child during the period of such dental care to third party payors and/or health practitioners. I authorize and request my insurance company to pay directly to the dentist or dental group insurance benefits otherwise payable to me. I understand that my dental insurance carrier may pay less than the actual bill for services. I agree to be responsible for payment of all services rendered on my behalf or my dependents.

#### HIPAA POLICY

I understand that under Health Insurance Portability Act of 1996(HIPAA), I have certain rights to privacy regarding my protected health information. I understand that this information can and will be used to:

- Conduct, plan and direct my treatment and follow-up amoung the multiple healthcare providers who may be
  involved in that treatment directly and indirectly. Obtain payment from third-party payers.
- Conduct normal healthcare operations such as quality physicians.

I acknowledge that I have received your Notice of Privacy Practices containing a more complete description of the uses and disclosures of my health information. I understand that this organization has the right to change its Notice of Privacy from time to time and that I may contact this organization at any time at the address above to obtain a current copy of the Notice of Privacy Practices.

I understand that I may request in writing that you restrict how my private information is used or disclosed to carry out treatment, payment of healthcare operations. I also understand you are not required to agree to my requested restrictions, but if you do agree then you are bound to abide by such restrictions.

### **Financial Policy & Agreement**

BROOKWOOD DENTAL CENTER financial policy is outlined below:

- 1. Payment is due at the time the service is rendered unless financial arrangements have been made with the office manager. We accept cash, checks, Visa, MasterCard, American Express, and Discover. Care Credit is offered as an option for extended payment. Our office manager will help to explain this method of financing.

  2. Insurance Insurance should be viewed as an aid in helping make dental treatment affordable. The dentist may provide several treatment options and we encourage our patients to decide which is best, rather than their insurance directing their dental care. Dental insurance will generally not pay for 100% of services and the patient will have a deductible and/or co-payment that they are responsible for paying.
  - a. Please provide your insurance card. This will help estimate your insurance benefits.
  - b. Co-payments and deductibles are due on the date of service.
    - The patient is responsible for any balance that the insurance does not cover. Pretreatment Estimates by the insurance company are not guarantees of payment and the patient is responsible for unpaid balances.
    - We will file your insurance as a courtesy and follow-up on delayed claims for 90 days. After this time any unpaid balance is the responsibility of the patient. Insurance is a contract between the employer, the insurance company, and the patient. Problems that extend beyond 60 days should be taken up with your human resources director at your place of employment.
- 3. We employ a **24 hour cancellation policy**. We reserve the right to charge a fee for broken appointments. I hereby agree that all dental bills are due and payable upon receipt. Should my account become delinquent and require the services of an attorney for collection, I agree to pay any fees associated with collecting the debt, including collection agency fees and court costs.

All accounts must be paid in full within 90 days of statement billing to avoid collection procedures.

I HAVE READ, UNDERSTAND, AND AGREE TO THE INFORMATION ABOVE.
